

ST. JOSEPH'S SCHOOL, NAINI
HOLIDAY HOMEWORK 2020-2021
CLASS VIII

ENGLISH

- 1) Complete the notebook work of lesson-‘*So what are you, Anyway*’.(exercises will be sent through e-care)
- 2) Write the poem ‘The lost dances of cranes’ in the notebook.
- 3) Read about Nelson Mandela’s work to destroy apartheid-a system in South Africa which did not give the rights and freedom to the black people as the white people and write about it in your own words in the notebook.
- 4) Write the definition of pronouns and all its kinds in your notebook and make a chart in a creative way explaining the cases of nouns and pronouns with examples.

MATHS

Q. 1. Algebraic Expressions and Identities: Solve Q.1 to Q. 6 of Chapter Test. Show the solution.

Q. 2.Exponents and Powers: Solve Q. 4 to Q. 7of Chapter Test. Show the solution.

Q. 3.Make a list of all standard identities used in chapter 7.

Q. 4.Write all the laws of exponents of 10.

Note: Do all the work of Mathematics holiday homework in a ₹5 notebook.

SCIENCE

PART: A

“An infodemic of misinformation and rumours is spreading more quickly than the current

outbreak of Corona Virus.” – WHO (World Health Organisation)

Misleading information is sowing fear and confusion in our communities.

Students, let’s spread facts, not fear in our fight against the Corona Virus.

This will help educate people, reduce all misinformation and enable everyone to stay healthy

and safe.

Activity-(file / folder/ scrap book)

Prepare a brief research report on COVID-19 virus outbreak. You may include the

following points.

- Causal organism
- Origin
- Mode of Transmission
- Symptoms
- Treatment
- Preventive measures, giving DOs and DON'Ts.
- At the end, pen down a write-up on “Life after COVID-19 Era”

If possible, justify your research report with pictures/ diagrams.

PART B

1. Imagine yourself to be a young scientist and make a small model of any invention you would like to do

1-Make a folder to document the following things about your invention.

2-Material/steps required for your invention

3-How your invention is useful to mankind?

4- Motivation/inspiration behind your invention.

Note: Both part A & B project should be in the same folder.

SOCIAL SCIENCE

- 1- Make a factual report of the endangered species.
- 2- Construct the complete time line of the British rule in India.
- 3- Draw a 3D picture of your parent and colour it.
- 4-Write a scenic report Illustrating the Humans victory over Pandemics.

COMPUTER

On your PC or laptop create a table Student and enter records in table in datasheet view. Name

- Open MS Access 2010 (Start – All programs – Microsoft Office – Microsoft Access 2010)
- Create blank database by selecting Blank Database option from Available Templates and enter your database name as Record and click on Create button.
- Enter following fields name in Table1 by double clicking on Add new Field and select Text from menu. Type the following fields’ name.

Roll Number	Name	Date of Birth	City
-------------	------	---------------	------

- Enter at least ten records in Table1.
- Save your table1 by selecting Save option from file menu. Enter table name Student in Save As dialog box and click OK.
- Close your database by selecting Exit option from File menu.

NOTE:

- You can use any version of MS Access to create the database but instructions given should be strictly followed while creating the database.
- You can take help of your textbook and video tutorials to complete your homework.

- Once the school reopens you will submit your database in a pen drive for the record.
- In addition to this please complete your computer notebook with the help of notes provided to you via E-Care pro app.

GENERAL KNOWLEDGE

1. Assignments given to you with each chapter should be completed and submit when the school reopens. (On Chart Papers)
2. Write 5 Important News daily from 1st June 2020 till 30th June 2020. (in your copy)
3. Write a short article on E learning during the present Lockdown (Both Merits and Demerits). (in your copy)
4. Imagine yourself as an Environmentalist. What steps would you take to preserve and conserve the nature? (Hints : Sources of Pollution and measures to remove it. Compose your work with pictures and data in your scrape book)

MORAL SCIENCE

In a white chart paper, draw the roots, stem and branches of a huge tree and colour them brown. Take a green chart paper and cut 20 leaves. Each day fix one leaf to your tree by writing one value on it. Name the tree as “the value tree”.

2 In chapter 2, you have learnt about an inspiring personality named Erick Weihenmayer, who was blind and did wonderful things in life. With the help of a dupatta or hanki tie your eyes and feel that you are blind now. Try to do different things. Note in your moral science copy the things you were capable of doing being blind.

3. “Time changes” and so do feelings. Corona Virus has brought a change in our lives. Sit down and bring to your mind all the changes that you experienced in you, around you and in your family. Make a beautiful chart with drawings to show these changes with the help of pictures.

हिंदी 1 –
