NOTE- Do not get the Holiday Homework done by an expert. It must be the effort of the child. Parents must act as a guide and facilitator but not substitutes to do the work

SCIENCE.

PART : A

1. Imagine yourself to be a young scientist and make a small model of any invention you would like to do

1-Make a folder to document the following things about your invention.

2-Material/steps required for your invention

3-How your invention is useful to mankind?

4- Motivation/inspiration behind your invention.

PART : B

Activity: Eat healthy, stay fit: beat COVID-19

Most of the health advice can boil down to simple behaviour like eating a balanced diet, exercising etc.

Keeping in mind the above line.

Prepare a report (in a scrap book) on the basis of various types of food eaten in different regions of our country.

Categorize them according to the nutrients present in them. Prepare a balanced diet menu with the help

of your elders, magazines, internet etc. and also share the menu with your friends and relatives.

Note : both the project A&B should be in the same folder.

SOCIAL SCIENCE

1. Make a working model of magnetic compass and try to give it a real look.
2. Draw a plan of your School or House.
3. Make a pictorial representation of Vedic Period with the help of your text book.
4. Draw a beautiful picture of your family and colour it.

COMPUTER

In a new homework copy write at least one page notes for each of the following topics:

- C or C++
- JAVA
- PYTHON

You can write about their developers, year of development, their features, advantages, disadvantages and their applications.

NOTE:

- You can take help of your textbook as well as internet to complete your homework.
- Your homework copy will be asked for submission after the school reopens. So be ready with your work in a neat and clean handwriting.
- Also complete your computer notebook with the help of notes given to you via E-Care Pro app.

GENERAL KNOWLEDGE

- Do the current affairs in a small thin Note-Book
